

I. Amendments to the Drawings and Remarks

Replacement sheet 1 of the drawings is attached. Specifically, replacement sheet 1 was amended by adding "Replacement Sheet" in the top margin. This amendment was in response to an objection that the drawings were not properly identified in the top margin as "Replacement Sheet".

Accordingly, Applicants believe that this amendment has cured the respective objection.

In view of the above amendments and remarks, it is respectfully submitted that the present form of the application including the claims is in a condition for allowance. Such action is requested. The Examiner is invited to contact the undersigned attorney for the application via telephone if such communication would expedite this application.

Respectfully submitted,
